

Item no.: 322344

Ages 3+

## INTRODUCTION

Test your memory with Spider-Man™ & Friends™! Just turn over the cups and see if you can make a match of Spider-Man or his superhero pals!"

## CONTENTS

- 20 Game Pieces (10 miniature assembled characters)
- 20 Memory Match-up Cups
- Storage Case/Game Base

## QUICK START

Think you can remember where the Spider-Man™ & Friends™ are? To try:

1. Open the storage case and unpack your Spider-Man™ & Friends Memory Match-up™ game.
2. Turn the opened storage case over and it becomes the base of your Memory Game.
3. Your Spider-Man™ & Friends Memory Match-up™ Characters come in two parts. Separate the two parts by gently twisting and pulling them apart.
4. Mix up the game pieces and put each one into its own Memory Match-up Cup.
5. Place the Cups on the game base then, if you're playing with friends, decide who goes first.
6. The first player lifts two cups, one at a time, to see the Character parts underneath.
  - a. If the parts form a whole Character match (the correct top and bottom together) the player keeps the Character, takes the Cup off the Game Base, and takes another turn.
  - b. If the parts do not form a whole Character, the Cups are replaced over the Character pieces (players try to remember which parts were under the cups) and it's the next player's turn.
7. The game ends when the Game Base is empty of Cups and Characters.
8. The player with the most Characters at the end of the game wins!

## VARIATION

For a more challenging game, once two Character pieces are matched, the Characters are removed from the Game Base but the Cups are placed back in position. Players then not only have to remember where the remaining Character parts are, but also which Cups are empty.

To store your Spider-Man™ & Friends Memory Match-up Game, turn the Game Base over, tuck the Cups and Characters inside, close the lid and snap the latch into place.
