## ACTIVITIES LIST

Here are the games and activities you can choose to play on your TV or your Laptop LED screen.

### TV GAMES

#### GAME MECHANICS

**Grab N Drop** - Have your Baby move items from one side of the room to the other. Beware...if your Baby is hit by a moving object, she'll drop what she is carrying.

**Falling Objects** - Move your Baby horizontally to catch object(s) falling from the top or the side of the screen. Look out!...objects will drop at faster rate as time goes on.

**Throwing Objects** - Move your Baby to shoot at selected targets. Fire in eight different directions using the directional arrows and the fire button and score points.

**Bouncing on Objects** - Bounce your Baby on couches and other objects. Lose points if the Baby lands on the ground. Gain points if the Baby makes it across the room without touching the floor.

### AT THE MALL

**Number Blast** - Have your Baby shoot the correct sequence of NUMBERS on the TV screens with their milk bottle before time runs out.

**Falling Frenzy** - Have your Baby catch only the letters or numbers needed to complete the word or equation displayed on the mall movie theater marquee before time runs out.

**Alpha Blast!** - Have your Baby shoot the correct sequence of LETTERS on the TV screens with their milk bottle before time runs out.

**Jump and Catch!** - Have your Baby duplicate a necklace with 4, 5, or 6 gems by bouncing up and grabbing the correct jewels, in the correct order, before time runs out.

### AT HOME

**Math Galore** - You'll be shown a math equation and you must match the correct answer to complete the equation before time runs out.

**Cookie Capers!** - In the kitchen, cookies and other food items are flying! Use your Baby to catch the cookies and return them to the jar.

**Food Fun!** - As babies pop out of kitchen cabinets with letters above their heads, click on the food item somewhere in the kitchen that starts with that letter before time runs out.

**Follow the Leader** - Watch your Baby's friend bounce around the bedroom, then try to match her pattern, by having your Baby to bounce on the same things in the same order before time runs out.

### AT PRE-SCHOOL

**Letter Seeker** - Have your Baby open the desk which contains the letter being called before time runs out.

**Tumbling Toys** - Have your Baby catch the bouncing toys and put them in the toy box with the correct letter on it before time runs out.

**Toy Toss** - Catch bouncing items and throw them into the correct containers while other babies throw things around the room.

**Happening Hopscotch** - Bounce on the numbered objects around the room in order from 1 to 99. An arrow will tell you whether to go from the lowest to the highest number, or from the highest to the lowest.

### ON VACATION

**Beach Treats!** - Add and subtract by grabbing the correct number of food items to complete the equation shown on the picnic table.

**Jamming Juggler** - Juggle beach balls of different sizes and colors and don't let them hit the ground even when seagulls drop more and more balls.

**Summer Shoot-out** - Shoot at, and hit, as many objects as possible being thrown across the screen within the time limit.

**Party Boat** - Bounce across a series of floating platforms and back to bring items to the party boat.

### LCD GAMES

#### GAME MECHANICS

**Multiple Choice** - Players will be given a question and must choose from a list of answers.

**Matching Pictures** - Players will be given a picture and must match it to score.

**Fill In** - Players will be given a question and must type in the answer.

**True/False** - Players will be given a question and must answer True or False.

**Arcade** - Player must time their shot to hit the target.

### CLOE

**Letter In** - Select the correct answer to fill in the missing letter in the given word.

**Typing Tots!** - Type in the letters quick before the cat grabs them!

**Type It!** - Type in the word that is spoken using the letters provided.

**Word Check!** - Check the word and say True if it is correct or False if it is incorrect.

**Spelling Block!** - Use your timing skills to hit the letter targets and complete the given word.

### JADE

**Getting in Order** - Select the correct number to complete the given sequence.

**Picture Challenge!** - Select the correct word that matches the picture.

**Math Signs** - Type in the correct math sign to make the equation correct.

**Memory Check!** - View an image, then answer questions about it from memory.

**Number Bowl!** - Use your timing skills to hit the correct equation.

### SASHA

**Listen & Spell** - Hear a word and then select the correctly spelled word.

**Line it up!** - Select the correct shape that completes the sequence.

**Add It!** - Type in the correct answer to the addition problem.

**Plus or Minus!** - Look at the math equation and type T if it's right or F if it is wrong.

**Squirt-tastics!** - Use your timing skills to hit the matching word.

### YASMIN

**Math Figures** - Choose A, B, or C to select the correct answer to a math problem.

**Time to Party** : Press A, B, or C to select the correct time shown on the clock.

**Subtract It!** - Type in the correct answer to a subtraction problem.

**Rhyme Time!** - Listen to words. If they rhyme, type T, if they don't, type F.

**Typing Tricks!** - Each key typed will create a little burst of fireworks and sound effects! Have a blast!
