## ADDING ART-TITUDE™ TO YOUR SHOES AND BIKE

To add color and style to the Doll's Bike and Shoes:

- Use only Markers from this dollpack to color in your own special design and color combinations. (Fig. 1)
- Remove marker color by using a "Vinyl Drafting Eraser" (not included). DO NOT use cleaners, abrasives, or other harsh chemicals. Some color may remain, especially if item has set overnight before erasing. (Fig. 2)

### IMPORTANT NOTES:

- Protect or cover your work space before using Markers to prevent workspace damage.
- DO NOT USE MARKERS OTHER THAN THOSE INCLUDED WITH THIS PRODUCT on items in this dollpack as other markers may be permanent and/or may not be removable.
- Allow Marker color to dry before adding additional color to an area to prevent smearing and/or being transferred to skin, other fabrics, furniture, etc.
- DO NOT leave Markers in the sun or in very hot areas.
- Replace the Marker cap tightly when not in use to prevent drying.
- Keep Markers away from food preparation and consumption areas.
- Wash your hands thoroughly after playing with Markers.
- Keep Markers away from eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention.
